Radisson Collection Grand Place

Rue Fosse aux Loups 47 à

1000 – Bruxelles

ROYAL ROOM

AGENDA

8:30 Coffee and Breakfast

9:00 Welcome Remarks

9:15 Information Sharing on Priority Topics

- **Update on US Modernization of Cosmetics Regulations Act of 2022**
Francine Lamoriello, PCPC

10:00 Updates on IAC Projects

- **Principles & Best Practices for Refilling**
Ariadne Morais, ABIHPEC & Beta Montemayor, CAC will present the results of the WG effort and **will seek IAC endorsement** of the Principles & Best Practices for Refilling document.
- **Digitalization of Labeling**
Carlos Berzuna, CASIC, will present an update of the WG effort to develop “Principles for Digital Labeling” and an “Adhoc Resource Document” to support advocacy.
- **Dynamic Mapping of Environmental Initiatives**
Nico Shaw-Nunez will present the WG’s agreed template, and **seek IAC member commitment to update the map and rules for**

accessing the map. Nico will also lead a discussion of next steps to identify issues for IAC common positions and advocacy.

11:00 Coffee Break

11:20 Updates on IAC Projects (Cont'd)

- **Common Objectives for UN Treaty on Plastics Pollution**
Natalie Obermann, PCPC, will update on the outcomes from recent INC negotiations and the WG's next step to engage negotiators.
- **Enhancing Effectiveness of IAC Work**
Francine Lamoriello, PCPC, will update on the WG's initial viewpoints about ways to enhance functioning of IAC Working Groups and documents.
- **IAC survey on GMP certificates for cosmetics import in China**
Maxime Jacques, CE, will discuss survey of IAC members.

12:10 Group Photo

12:30 Lunch

13:30 Proposals for New IAC Projects

- **Proposal to develop IAC arguments** in support of common advocacy opposing the nomination of siloxanes to Stockholm Convention (Cosmetics Alliance Canada)

Exploratory Discussions about Potential IAC Work:

- **Promoting globally recognized standards** of priority interest (Cosmetics Europe)
- **Minimata Convention** proposal to ban mercury (incl. trace levels) (Cosmetics Europe)

14:00 IAC Member Roundtable

IAC members are invited to share updates and emerging issues in their countries/regions.

- Cosmetics Europe: Update on EU Green Deal and cosmetics regulatory developments (packaging, waste water, ecodesign, green claims, cosmetic regulation, microplastics, EU fragrance allergens)
- Cosmetics Alliance Canada: Update on animal test ban in Canada and WC-12; Environment Canada compliance and enforcement activities
- CTPA: Update on UK High Court Judicial Review on Home Office Animal Testing Policy outcomes; Product Safety Review Consultation and future of the UK Cosmetics Regulation.

AOB
