DIRECTOR, BEAUTY PUBLICATIONS AND AWARDS

As many may already know, long time industry veteran Jim Hicks has advised that he will be retiring as our Director of Beauty Publications & Awards at the end of this year.

After a long and well respected career with Rogers as publisher of Cosmetics magazine where he founded both the Canadian Outstanding Service Awards (COSA) and the Canadian Fragrance Awards, Jim came to work with Cosmetics Alliance when we required these properties some years ago. He has now decided that it is time for him to retire from this role. He will be greatly missed by his many colleagues both here at Cosmetics Alliance as well as throughout our industry. A staple of our awards programs, we do hope that we can have him back for some guest appearances from time to time!

With Jim's announcement, Cosmetics Alliance is in the process of seeking a Director of Beauty Publications & Awards. This position is a contract position which oversees the quarterly publication of Cosmetics magazine and its related services (newsletter), the Beauty's Best Awards program and awards gala, as well as several other services including our beauty advisor panels. It offers an opportunity for a vibrant, creative, and entrepreneurial individual to be engaged at the center of Canada's dynamic beauty industry and to work with Cosmetics Alliance to further build the value of these important properties for our industry.

If you have an interest in this opportunity and would like to discuss it further, or would like further details, please contact CA President & CEO Darren Praznik at 647-298-1152 or ca@cosmeticsalliance.ca. All inquiries will be treated in the strictest confidence.
